

*Pekalp*  
OF LONDON

Designers and Manufacturers of Sofas, Sofabeds, Armchairs, Dining Chairs, Tub Chairs, Headboards and Beds

**Welcome to our collection of London made sofas, sofabeds, armchairs, tub chairs, dining chairs, beds and headboards.**

All of Pekalp's furniture is suitable for use in hotels, restaurants, bars, show homes, and your very own home.

Excellent standards of quality are combined with highly competitive prices in this extensive range of upholstered, washable and leather furniture. A “made to measure” and “bespoke service” is also available.

The Pekalp range is backed by 40 years of design and manufacturing experience, and as members of the British Contract Furnishing Association and Qualitas, we ensure the best in comfort and quality. We insist on using only hardwoods (renewable European beech) for our hand-crafted frames, each of which contains up to 100 strengthening dowels.

The Pekalp ranges features one of the widest selections of fabrics to compliment any interior scheme. A customers own material service is also available to ensure complete flexibility within your colour scheme.

Each Pekalp designed sofabed is individually assessed for both day and night requirements.

A sofa?...A bed?...we don't compromise, why should you?

Bespoke Sofa & Armchair Designs.....	35-39

Pekalp's upholstered range are constructed to contract specifications for use in hotels, restaurants, bars, show homes and domestic environments and are supplied with a 5 year construction guarantee.

Most Pekalp designs are available in three sofa sizes and a matching armchair and stool, and many are also available as a sofa bed. Each design is supplied with a standard seat filling of either dacron wrapped foam, hollow fibre or feather and down, although you do have the option to select one of the other seat fillings if you prefer.

Besides our extensive range of fabrics from all the major UK fabric houses Pekalp offer a 'customers own material' service (COM) and all the usual leg colour stains are available on any of our show wood (see page 79). Where designs are not offered with detachable arms as standard our bespoke service may be able to provide detachable arms (and, in some cases, backs) for an extra charge. Furthermore, where these dimensions do not meet your exact requirements, we offer a "tailored" service where we are able to modify existing dimensions and specifications to suit you.

# Modified Pekalp Corner Unit Designs

---

In addition to Pekalp's five main corner unit designs' standard sizes and standard specifications, our 'made to measure' service means you can have the exact size you require and our 'bespoke' service means you can alter any of the details and specifications such as, seat cushions fillings, piped or seamed finish, alternative legs or feet and anything else your minds may imagine and your hearts may desire.

**Cocoa:** special large 'u' shaped corner unit

**Sloane:** fully fitted individual seat and back cushions

**Piccadilly:** Special fibre seat fillings with blind buttoned back cushions.

**Piccadilly:** Special fibre seat fillings with piping finish.

**Manhattan Underbed:** Special chaise come unit

**Lounge Blocks:** No legs to the Floor on Castors

In addition to the five corner units just shown, all of Pekalp's main sofa designs (pages 4-32) can be converted by our bespoke department into a corner unit of any size of your choice. Here are just some we have managed to photograph.

# Dining Chairs

Pekalp's Chairs, Tubs and Bar Stools are made of solid beech wood frames and reconstituted contract foam for use in hotels, restaurants, bars, showhomes and all homes.

All the usual leg colour stains are available and all our dining chairs can be made into carvers.

Although we are showing most of these chairs in fabrics they are all available in leather and you are more than welcome to combine the various design features to create your very own style.

# Bed Collection

---

Pekalp's beds are of a high quality made entirely in the UK, to full Contract Strength. They are constructed from solid beech wood frames and quality foam. For ease of access and assembly the sides are individual panels that are assembled with interlocking links / hinges.

Each bed consists of 13 slats made of 20mm thick and 70mm wide solid beech wood and like all Pekalp items comes with a 5 year guarantee.

Pekalp's bed collection offers bed bases either with legs or without legs. Both styles can be ordered so that the mattress sits on top and flush with the base or with the mattress recessed into the base with a rimmed edge.

## Bespoke Premier Sofabeds

Even our sofa and corner unit designs not available as a sofabed can be modified to incorporate a bed. If you are limited for space you can use our bespoke service to narrow the arms of the sofa or simply have no arms at all! Alternatively you can use our bespoke service to design your very own sofabed.

# The Hercules Sofabed

---

The Hercules sofa bed is totally unique. Other sofa beds may be made to contract-strength. However, the Hercules is manufactured, in the UK, to Severe Contract Strength, whilst it features a 14cm Supreme Comfort Mattress for the best possible combination of comfort, style, strength and quality. The Hercules also features internal storage for your bedding and detachable arms. Unlike other sofabeds, both the sofa and the mechanism are covered by a Full 5 Year Guarantee.
